## THIS MONTH'S FUN PROJECT!

Anytime a customer says "Let's get creative", we give the green light to brew the double black diamond coffee and unleash our award-winning designer.

The team at the new Newnan Nissan store wanted a design that emphasized their "fresh approach" to car buying. The results were a custom shaped business card that accented their logo. General Manager Lane Crider was very pleased with the unique look and recieved praise from the corporate office!

We are proud to welcome them to the community and thankful they asked us to be a part of their success.

#### AUGUST 21 1-5 PM

Join us at the B2B Small Business Showcase at the Newnan Centre on August 21. Stop by our booth to get ideas on how we can help you grow your business.

#### **NEW ADDITION**

That new friendly voice you are hearing on the phone is **Trent Griffith**. After ten years out of the printing business, she is back and working hard to help our customers have a great experience. Trent also has graphic design skills that makes her a great asset to our team. *Welcome to the PrintSource family Trent!* 

#### **TRENT'S DESIGN TIP:**

It can be easy to get carried away with many great images, graphics and fonts. A cluttered design is overwhelming. Make sure you have a reason to use every design element, and keep the number of fonts, colors, shapes and frames to a minimum.

#### **COMMUNITY CARE**

One of the things that makes this such a great place to live and work is the incredible number of people who volunteer their time and resources to care for our neighbors. We are proud to partner with them in their mission. Here are a few:

Angel's House Assistance In Healthcare Boys & Girls Club of Metro Atlanta Can't Never Could Communities in Schools Coweta Pregnancy Services Coweta Samaritan Clinic Fellowship of Christian Athletes GratitudeAmerica March of Dimes Newnan Carnegie Library Foundation Newnan-Coweta Historical Society Welcome House

# Thought Leadership BUILDING A BETTER BRAND

What is a brand? It's everything in business – literally. The smell of your lobby and the friendliness of your staff. The way you answer the phone and solve customer problems. The quality of your product and the way it's packaged.

Too many believe their brand is their advertising, marketing, tag line, logo or social media posts. You don't own your brand; it is in the mind of your customers and prospects. Your brand is what you are known for. Your brand is the way your customers think and feel about you.
